EMPOWERING YOUNG MINDS!

Emmanuel Christian public school proudly introduced the X- SEED Program for the 1st time in Chamarajanagar.

XSEED

FOUNDATION FOR LIFE

X-SEED STUDENTS SCORE+ 21% v/s Others

XSEED children ask more questions, can write in their own words, like doing word problems in mathematics, can complete their homework on their own, are not afraid to speak-up in English, persist longer in solving problems, and score well on tests

A SCHOOL'S REAL ACADEMIC PARTNER

Beyond books, boards & promises : A complete solution

In XSEED schools teachers are better resourced and regularly trained, children have application practice workbooks for every subject in addition to textbook, assessment is on skills in addition to concepts, and the school leadership has a highly skilled education coach to consult with.

XSEED Super Teacher

The World's Best Teaching & Learning App

XSEED teachers begin a class by clearly stating the learning goal, ask children what they know already, demonstrate an experiment or conduct a group activity, let children speak before they do, ensure the "application questions" are done independently, fiercely believe in practice, assess daily, and support each child individually.

OVER 2 MILLION SATISFIED PARENTS

Believe in the xseed way

Featured

XSEED leads from the front in the widespread pursuit of a better, more effective approach to education. Every year, XSEED hosts several national and global events to forward the cause of better learning, effective teaching & all round improvement in the education systems across the world.
